

## School Council Meeting

17<sup>th</sup> November 2022

Key stage 2.

### **Minutes from meeting to file in SMSC folders.**

#### Present:

Miss O'Hare-Chair

E.G 6LW

C.J 6LQE

E.E 6GD

M.M 6JM

D.G 6JM

Z.I

T McG 5JM

I.T 5JM

G.T 5CH

N.B-A 5JS

E.B 4PB

F.L 4SJ

I.H 4VB

#### **Welcomes**

Register and discussed any changes / developments since last meeting. A number of the pupils were involved in the mental health audit. The children were able to feedback to the school council in relation to how their contributions were valued.

We talked about the upcoming COP27, discussed what the pupils could remember about last year's COP26 meeting, and what has changed in our school.

#### **Already a win**

- We have an Eco-ranger representative in every class who takes part in different activities throughout the year, such as planting projects.
- At break, lunch and the end of the day we turn off Interactive White Board and classroom lights.
- During lunch, designated year 6 pupils check the classrooms for any lights that are missed.
- We use recycling bins inside classrooms, and on the school playgrounds.
- During lessons, we learn how we can help the world around us. ( PSHE and Geography).

#### **Quick fix**

- Pupils have prepared a short-spoken play touching on what is COP27, what it means to help our environment, how we already are and our ways forward.
- We will continue to get pupil voice ideas for this.

**Thanks for all the great input, it was much appreciated**
