# STAY SAFE!

# Being respectful online means:

Including people  
when they want  
to be included

Listening to other people

Being kind and supportive

Understanding that  
someone might not want  
the same things as you

Thinking about  
how your words  
and actions make  
other people feel

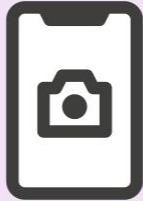

Not putting pressure on  
someone and accepting  
their boundaries

# If someone is being disrespectful you can...

Tell them how you feel or ask them to stop politely
