I.T 5JM	R.B MOH
G.T 5CH	M.M 3PS
N.B-A 5JS	E.B 4PB
	F.L 4SJ

Welcomes

Register and spoke about changes since last meeting. The pupils discussed the success of the swimming pool and residential trips that have happened this half term. Many pupils giving recounts of their experiences.

Already a win

- The school is kept clean and tidy.
- The excitement and maintenance of the chickens in the back playground.
- Pupils from a wide range of backgrounds and different diversities are all welcomed into our school and class environments.
- School trips throughout the year are always enjoyable and have different opportunities throughout the year.
- Each class has a welcome bag, which new pupils receive when joining our school.

- Our school has successfully ran school discos that raised funds for comic relief to go towards Turkey disaster.
- We have signs on each door saying 'Welcome' in numerous different languages, the pupils discussed how it would be good to learn the pronunciation.
-

Quick fix

- Class representatives could have badges or lanyards to be proud of and show they are part of the bigger picture.
- Organising the mud kitchen so different year groups have different areas or days.
- Have a class monitor to check the playground for lost bottles or clothing after lunch and break time.

Thanks for all the great input, it was much appreciated.
