

GOVERNOR PROFILE

Name: Lyn Eaton

Role: Co-opted Governor

Elected as Co-opted Governor July 2021 to July 2025

Registered Interests:

- Governor roles in other settings (primary, secondary and further education)
- Panel member of Wirral LA Independent School Admission Appeals Panels
- Reading Support Worker for Beanstalk

As an experienced governor and Chair for the last 11 years I have developed the required skill set to lead and be a part of a team in providing effective governance including: strategic planning; overseeing financial performance including value for money; performance management and holding the school executive to account; analysing school data /using this to drive improvement; HR processes and procedures; Safeguarding; health and safety; understanding the school and its wider community.

As a former part time Ofsted Inspector in the further education sector for (what used to be called) Basic/Key Skills, I remain particularly interested in English and Maths teaching as without these basic skills access to the curriculum can be compromised throughout a school career. Having spent most of my own career in teaching and education management in Knowsley (with the high levels of deprivation) I am also keen to support schools in ensuring that Pupil Premium is appropriately targeted to achieve the very best outcomes for disadvantaged learners.

I originally trained as a primary school teacher prior to moving into further education and my interest in the teaching of reading continues as I work as a volunteer for the National reading charity Beanstalk.
