Hi, I am Charlotte Lee. I have recently become a Co-opted Governor at Liscard Primary School, I have previously been a Parent Governor for over 4 years. Over the last few years, I have enjoyed getting to know the school better and understanding more about how the school is run. I attend all the subcommittees and the full governing body, these include; Building, Curriculum, and Finance.

I am involved in ensuring the school reaches its potential and our early year's education is second to none. Through the committees I have attended so far, I have discovered and revered the passion that Mrs Littler and all her team have in obtaining the best for all our pupils.

In the past, I have worked in HR administration, but I have mixed up my career, and I am currently studying for a degree in learning support and thank the enthusiasm of the staff for leading me in a new direction. I have many interests such as photography, music, reading, baking and crafting. I'm looking forward to many more happy years with Liscard Primary.
