Hi, I'm Sarah Harper co-opted governor for Liscard primary. My two daughter's (Chloe and Keira) both attended Liscard Primary many years ago, Chloe is in university and Keira is just about to start. I have always worked within the early years sector, firstly as a pre-school manager and currently in the Early Childhood Service overseeing early years funding entitlements, childcare sufficiency and the family information service.

So I have had the pleasure of working with Liscard primary both personally and professionally. I have seen the team and school grow under the leadership of Mrs Littler and the management team into this outstanding community and I know that will continue with Mrs Talbot. It is important to me that children are given a rich and varied learning environment that inspires and excites and as governor I feel it is my duty to challenge and support the school to do this. As well as ensuring the school is proactive in supporting all children and their families through their educational journey, from that very first moment they join this caring community.
