D.G 6JM	H.G 3PB
Z.I 5O.F	R.T 3GS
L.D 3PS	R.B MOH
A.K 3MOH	M.M 3PS
R.W 3EC	

Welcomes

Register and spoke about changes since last meeting. The pupils discussed the upcoming swimming pool and residential trips. Chris Liston introduced himself to all the pupils, and Mrs Swaby introduced the upcoming refugee week.

Already a win

- School trips throughout the year are always enjoyable and have different opportunities throughout the year.
- The pupils have an opportunity to be involved and lead assemblies.
- The school is kept clean and tidy.
- Pupils from a wide range of backgrounds and different diversities are all welcomed.
- Pupils discussed their excitement towards the swimming pool the school is getting in summer term.
- Pupils discussed their excitement for residential trips.

- Each class has a welcome bag, which new pupils receive when joining our school.
- Our school has organised school discos which raised funds for comic relief to go towards Turkey disaster.

Quick fix

- Class representatives could have badges or lanyards to be proud of and show they are part of the bigger picture.
- We have signs on each door saying 'Welcome' in numerous different languages, the pupils discussed how it would be good to learn the pronunciation.
- The pupils reported that their classes felt the deli line in generally longer and therefor they get less lunchtime outdoors.

R.B, G.T, D.G went with Miss O'Hare and Chris Liston to brief Mrs Talbot on the meeting. Some pupils will be taken with Mrs Swaby to discuss our schools role as a school of sanctuary with visitors.

Thanks for all the great input, it was much appreciated
