F.L 4SJ

I.H 4VB

M.J 4DR

H.G 3PB

R.T 3GS

A.C.N 2TJ

L.M 2JC

Welcomes

Register and spoke about changes since last meeting.

Already a win

- School trips throughout the year are always enjoyable and have different opportunities throughout the year.
- The pupils have an opportunity to be involved and lead assemblies.
- The providing and use of ICT, such as computers, iPads and VR Headsets.
- The school is kept clean and tidy.
- Pupils from a wide range of backgrounds and different diversities are all welcomed.
- The school bottles are good when you don't have or forgot your own water bottle.

Quick fix

- Upper key stage 2 lunches are often late or receive less food because the other pupils are in the hall too long or there is not enough food.
- Class representatives could have badges or lanyards to be proud of and show they are part of the bigger picture.
- Timetabled lunch activities so as pupils have an opportunity to play a number of different sports and not every day is the same.

G.T, A.K, C,J represented the council feeding back information from the meeting to Mrs Moran and Mrs Fegan.

We will continue to get pupil voice on ideas for this.

Thanks for all the great input, it was much appreciated
