

School Council Meeting
Monday October 2nd 2023

Present

Representatives from all classes (Year 1 to Year 6)

Mrs Talbot

Minutes

Mrs Talbot gave each individual school councillor their yellow badge. She suggested that they wear the badge each day, so that the other children could easily recognise their role.

Mrs Talbot asked the councillors to give feedback about what their class members thought were the strengths of the school.

Strengths

The children listed the following:-

Being kind – helping one another, checking each other are okay

Welcoming children from other countries

Bullying is not accepted – We have been encouraged to be an upstander, stepping in when we see something we think is not right. The updated anti-bullying posters make it very clear what we need to do.

Tolerance of other's views

Respectful of one another

Inclusion – everyone is included and we celebrate everyone's differences

Curriculum – there are lots of really interesting topics covered. We like going on school trips.

We love to learn.

Ideas for our school to be even better

More outdoor learning opportunities

More PE equipment and different kit that we don't have

More time for PE

Football all year

Homework club

More competitions on apps

Fitness club

Cooking club

Browsing time in the library

'Shout outs' for the best scientist, historian, and musician in class

Mrs Talbot thanked the children for their ideas. She asked the councillors to ask their class members about their views on school lunches (what they like....what they don't like....any suggestions for healthy hot meals) Emma the school cook would like to attend the next meeting to hear the children's ideas.
